

Mode

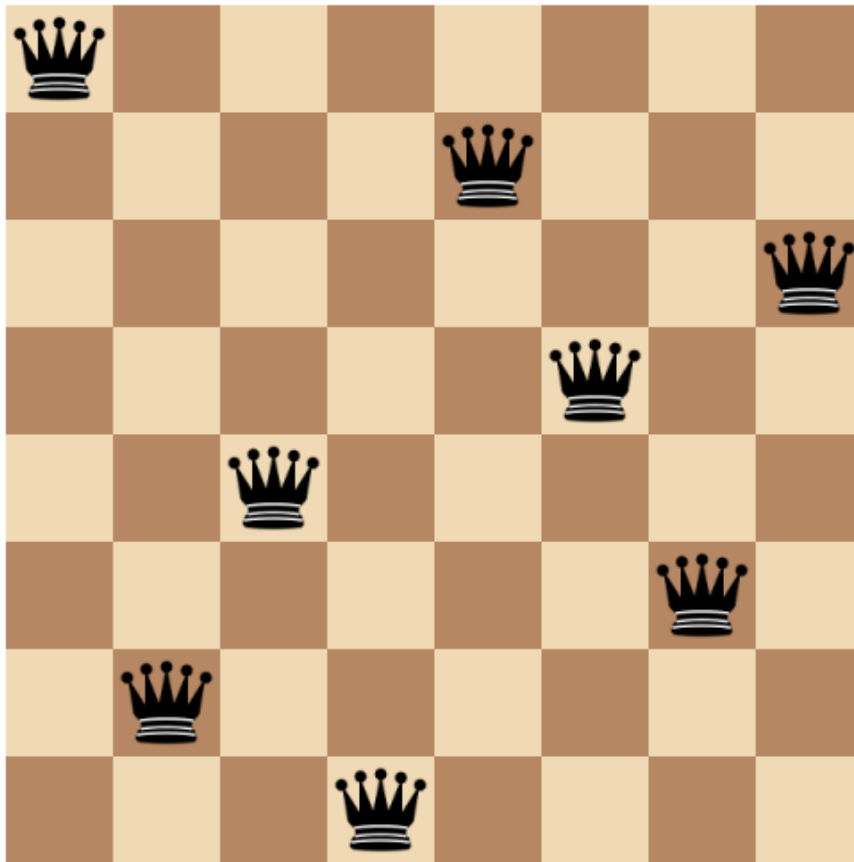

Start

you can run pure backtracking

☒ pure ☐ MRV ☐ LCV

Mode

**Start**

you can run pure backtracking

☐ pure ☒ MRV ☐ LCV

The output of backtracking with MRV does not change, however the index does not increment by one (MRV runs correctly)

```
E:\kfupm\202\381\PA\Python-Easy-Chess-GUI>python PA2.py
k with MRV 4
k with MRV 3
